Old Santa Claus Arrived.

The old fellow has got here. He came early this year. He unloaded nearly his whole pack at Lachman & Meyer's store, and many are the wonderful things there to be seen. There are a thousand and one interesting and beautiful toys of all kinds for both boys and girls, and an endless variety of picture and story books. All these things Messrs. Lachman & Meyer sell at very low prices. The little folks will be astonished at the number and variety of pretty things in their store. There are dolls by the million, and many wonders of all kinds.

Nuptials.

George Simpson and Miss Mamie Parker were married last evening. We acknowledge receipt of the usual compliments, and we heartily wish the newly-married couple their full share of marital bliss, and trust that they may live long and prosper.

Social.

There will be a social at Mrs. Poor's this evening, for the benefit of the Congregational Sabbath School, the proceeds going for the purchase of presents to be placed on the Christmas tree for the scholars.

Stock Panic.

There was something akin to a panic in mining stocks yesterday, everything on the list going down with a thud that took the bottom out of many a man's pocket.

The tickets for the New Year's ball, given by the 48 Hose Company for the purpose of buying new hose, are going off like hot cakes. The committee sold about sixty yesterday. Everybody stands in with the fire boys.

Mr. J. Wyatt, late of the Arcade Restaurant, is going East for a few weeks, important business demanding his attention. Hope he will have a pleasant trip.

Mrs. Bourne's division from Mr. Ring's room, had a written examination for a prize yesterday. The prize was awarded to Miss Mollie Anderson.

Giovini Rett was arrested by Officer Ross yesterday for vagrancy. Justice Young ordered him to appear, for sentence this morning.

Mr. J. W. Maddrill has gone to Grass Valley to spend the holidays.

Belvidere has been assessed 25 cents and Utah \$2.

A General Variety.

McClelland & Simpson have for days been in daily receipt of consignments of goods useful at all seasons, but most of which is especially suitable for holiday gifts. Their stock is confined to no particular branch of goods, but embraces everything in the fancy and toy line. Their establishment is, in fact, a sort of general emporium where almost everything can be found. Their prices are within the reach of everybody, and parties in search of presents should examine the stock before purchasing elsewhere. Their candies, they claim, are the best in the state. The public will find this a good firm to do business with. See their new ad.

Close of School.

To-day the public schools of Reno close for a vacation of two weeks. In the afternoon, commencing at half-past one o'clock, public exercises will be had, to which the friends and patrons of the school are invited. These exercises will consist of songs, readings, declamations, etc., and will, without doubt, prove highly attractive and interesting. The opportunity afforded by this holiday vacation for rest and recuperation will prove very grateful to the teachers, and, if we remember our youthful sensations aught, will be much more highly appreciated by the youngsters.

R. A. M.

The following officers of Reno Chapter, No. 7, R. A. M., were installed last night by R. E. D. G. H. P., Frank Bell: Chas. Knut, H. P.; R. H. Kinney, K.; G. W. Huffer, Scribe; A. H. Manning, Treasurer; Jos. DeBell, Secretary; F. J. Winchel, C. of H.; Mark Pariah, P. S.; T. K. Hymers, R. A. C.; G. H. Fogg, G. M. 3d Vail, I. Barnatt, G. M. 2d Vail, W. L. Bechtel, G. M. 1st Vail; A. Evans, Guard.

Change in Time.

It is definitely announced that the new time table will go into effect on the 28th. The lightning train will continue to run, but arriving and leaving Reno in the morning—arriving at 6.15 and leaving at 7 o'clock. The east-bound Overland will arrive here at 1 a. m. and the west-bound at 8.45 p. m., rather an unreasonable hour for supper. The V. & T. will conform to these changes.

Information of the Mines.

The publisher of the JOURNAL is daily in receipt of written inquiries regarding the mining outlook in Washoe county. They come from all parts of the Union, and notably the Eastern States. The attention of capitalists in various sections of the country is being directed to this section to a more encouraging extent than has ever before been the case.

Want A Library.

The Reform Club has assigned committees as follows to solicit books for their library. For the division north of the C. P. railroad track, Mrs. Hutchins and Mrs. S. E. Kimball, for south side of the track, Mr. R. P. Chapin and G. E. Holesworth.

Resigned.

Abe Hartley has resigned his position as C. P. baggage master. He has purchased an interest in the Arcade Restaurant and will devote his attention to it hereafter. Wish him the best of luck.

Decorations.

Evergreens, for decorative purposes, are being brought into town, and some have already commenced to decorate their places of business. They add much to the looks of a place.

Bodie has declared a dividend of 50 cents.

In fancy articles ornamental as well as useful for holiday presents, you will find a new endless variety at Sol. Levy's at from 10 cents all the way up to suit your purse.

Only a few days more for great bargains at M. Weil's.

NEWS OF THE MORNING.

The Bank of Virginia, of Virginia City, closed its doors yesterday. It is believed its affairs will be arranged satisfactorily in two or three days.

The Duchess of Marlborough has written to the London Times appealing to England for funds toward the relief of the absolute distress now existing in the west of Ireland. The Times warmly supports the appeal. The Duchess is the wife of the Lord Lieutenant of Ireland.

Fowler Brothers, of Chicago, yesterday discharged 2,000 employees from their packing-house and stock-yards because they insisted that no non-Union men should work with them. Other houses are running very few hands, and the whole number of workmen now idle is estimated at from 5,000 to 8,000.

On Tuesday a daughter of Apostle John Taylor, Josephine by name, attempted to escape from the Territory, but was captured at Uintah, on the Union Pacific road, by her relatives. She was on an emigrant train without a ticket, and this led to her detection. She says the brutal treatment of her family caused her to leave. She was brought to Salt Lake yesterday morning.

THE FINEST STOCK OF CANDY IN THE STATE!

IMPORTED CIGARS A SPECIALTY!

A Gentle Stimulus

Is imparted to the kidneys and bladder by Hostetter's Bitters which is most useful in overcoming torpidity of these organs. Besides infusing more activity into them, this excellent tonic endows them with additional vigor and enables them the better to undergo the wear and tear of the discharging function imposed upon them by nature. Moreover, as they are the channel for the escape of certain impurities from the blood, it increases their usefulness by strengthening and healthfully stimulating them. In certain morbid conditions of these important organs, they fall into a sluggish state, which is the usual precursor of disease. What then can be of greater service than a medicine which impels them to greater activity when slothful? No maladies are more perilous than those which affect the kidneys, and a medicine which averts the peril should be highly esteemed.
